Supplemental Information

We appreciate your providing the following information:

Please indicate here or with attached letter, any special needs or other information with which we should be familiar. A difficult year in school, recent changes in family structure or complicated health-care requirements can be very useful background knowledge, and will be shared with staff "as needed" by the directors. Please note any special needs which will affect her time at camp.

Camp policy is to require swimming instruction. However, you and your daughter can opt out of that requirement. Please indicate here if you do NOT wish her to be required to take swimming lessons.

Cabin Group Requests: We generally house girls by age and/or grade level. We will attempt to place friends together; please list no more than **TWO** (2) persons in your own age/grade. We won't put girls from the same town or school together in groups larger than four. If you are part of a group larger than four, please suggest how it might be split.
