Supplemental Information

We appreciate your providing the following information:

Please indicate here, or in an attached letter, any special needs or other information with which we should be familiar. A difficult year in school, recent changes in family structure or complicated health-care requirements can be very useful background knowledge, and will be shared with staff "as needed" by the directors. Please note any special needs which will affect her time at camp.

Betsey Cox believes that learning to swim is a life skill that all children should have access to. Camp follows the Red Cross Swim program for lessons and asks that campers participate in swimming instruction three times per week. It is important for us to know your family's expectations for your daughter and her involvement in camp swimming lessons. Please indicate your wishes here by checking a box and add a comment if you wish!

- We are passionate that our daughter participates in swimming lessons at camp.
- Our daughter may choose how often she participates in swimming lessons at camp.
